

TORONTO CHAPTER

**LIMITED TIME OFFER TO CHAPTER MEMBERS**

**Prepaid Meal Plan**

As a benefit to ASHRAE Toronto members who plan on attending all chapter dinner meetings, we would like to extend a limited time Prepaid Meal Plan offer to the group. The Prepaid Meal Plan allows members to purchase admissions to 7 technical dinner meetings for the price of 6 (our December meeting is NOT included) - you get one dinner meeting FREE of charge! Details and instructions are provided below:

Price for Standard Chapter Members: **\$240 (Discounted from \$280)**

Price for YEA Chapter Members: **\$210 (Discounted from \$245)**

Price for Student Chapter Members: **\$90 (Discounted from \$105)**

**How to Apply? Follow the steps below:**

1. Send an email to Sabrina Tai ([stai@hrai.ca](mailto:stai@hrai.ca)) to notify her of your interest in the program by **September 30th, 2010**.
2. Provide a cheque, made out to ASHRAE Toronto Chapter, for the respective amount owed. If the cheque cannot be mailed/delivered to Sabrina by **September 30th, 2010**, we ask that you bring it to our first dinner meeting on **Monday October 4th, 2010**.

**PLEASE NOTE:** This special offer is only being made available to Toronto Chapter members (Standard, YEA and Students). This plan does not include our December dinner meeting as separate payment and registration is required for this special event. Opting into this Prepaid Meal Plan does not secure you a spot at any of the dinner meetings - you will still be required to register on the [www.TorontoASHRAE.com](http://www.TorontoASHRAE.com) website for every dinner meeting event.

Feel free to contact Sabrina Tai or Marco Ottavino for more information of this limited time offer.

Thanks and see you at our next event!
